**Qualifications of Voters for Inten-
dent and Wardens of the Town of
Camden.**
BY A. A. 1824, it is enacted, "That from and after
the passage of this Act, every white man who is
by the Constitution of this State entitled to vote for
members of either branch of the Legislature, shall be
entitled to vote for Intendant and Wardens of the town
of Camden, any law, usage or custom to the contrary
notwithstanding. Provided such person so offering to
vote as aforesaid shall have resided in said town one
year immediately preceding the election of said officers;
the persons so voting, if required, shall produce to the
managers of election a certificate from the Intendant or
Recorder of said town, of his having performed patrol
or road duty, or paid an equivalent for not doing so,
within said town.
By A. A. 1825, it is enacted, "That from and after
the passing of this Act, every free white man of the
age of 21 years, who shall be possessed of any real es-
tate within the town of Camden, for which he shall
have paid to the town any tax for the year immedi-
ately preceding, shall be entitled to vote for Intendant
and Wardens of said town, and every officer who may be
elected by the citizens thereof."
Qualification of Voters for Members of the Le-
gislation.
Every free white man of the age of 21 years, (man-
ners and non-commissioned officers, and private of the
United States excepted), being a citizen of this State
and having resided therein two years previous to the
day of election, and who has a freehold of fifty acres or
land, or a town lot of which he has been legally seized
and possessed at least six months before such election,
or not having such freehold or town lot, hath been a
resident in the election district in which he offers to
give his vote, before the election six months, shall have
a right to vote for a member or members to serve in
either branch of the Legislature for the election district
in which he holds such property or residence.
The two years residence required by the Constitu-
tion in a voter, are the two years immediately previous

temporary absence with the intention of returning;
and if he has his home in the election district his right
to vote is not impaired by a temporary absence with
the intention of returning. But if one has his home
and family in another State, the presence of such per-
son although continued for two years in the State, gives
no right to vote."
